

REMARKS

It is respectfully requested that specification be amended to recite the two claims of priority noted above. Enclosed herewith is a certified copy of second priority document, namely, Irish Patent Application Serial No. S2003/08550, filed November 14, 2003. It is believe that the Examiner has a certified copy of the first priority document, namely, International Application No. PCT/IE2004/000159, filed November 12, 2004. If this is incorrect and the Examiner does not have a suitable copy of the International Application, he/she is respectfully requested to notify the undersigned.

It is not believe that any fees are required in connection with this Second Preliminary Amendment and Submission of Priority Document, however, if any fees are required for this communication or any other matter during prosecution of this application, permission is hereby given to charge any and all fees to Deposit Account No. 23-0630.

Respectfully submitted,
